To all Contractors considering Atlantic Door & Hardware, Inc:

We contracted Atlantic Door & Hardware for our Fountain Square project in Pembroke Pines, a mixed use facility consisting of approximately 85,000 sf. of retail, personal service, and office space. Lisa Millheiser was our project manager and an absolute delight to work with. Her trade knowledge is truly exceptional and helpful throughout construction. The installers in the field Brad and Ned were great as well in meeting our demands and our construction schedules. Atlantic Door & Hardware is privileged to have such accomplished employees dedicated to customer service and quality control.

"One of our best subs by far."

Thank you for your hard work and dedication.
