Dear Michael,

It is with great pleasure that I write this letter to say that I cannot begin to personally express how happy we are with your organizations (**Atlantic Doors & Hardware**) ability to provide us with competitive pricing, a quality product and outstanding customer service. Even when we have changed things at the last minute due to unforeseen conditions your cooperation to help us in every way to make our original time commitment to our clients is commendable.

I would highly recommend **Atlantic Doors and Hardware** to any customer looking for a highly dependable, cooperative and competitive vendor of doors, frames and finished hardware. All of our experiences with them have been positive.

If anyone wishes to contact me to further endorse **Atlantic Doors and Hardware** please do not hesitate to call.

Sincerely,
K.L. McCaul Construction Inc.
