Re: Letter of Recommendation for Atlantic Doors and Hardware, Inc.

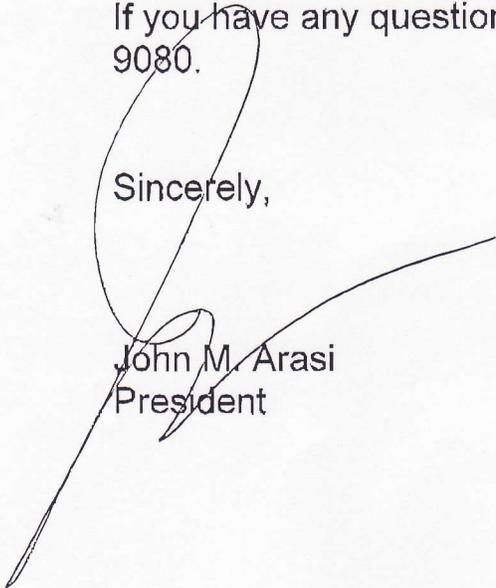

Atlantic Doors and Hardware has proven to be a valuable and trusted vendor.

It takes a considerable amount of dedication and understanding from our vendors to accommodate our construction schedule. Atlantic Doors has always provided Sharp General Contractors with professional services through a very dedicated and competent staff. In addition, one of their greatest attributes is their quick response to last minute requests.

Based on the quality of materials and services provided by Atlantic Doors and Hardware, I highly recommend them as a vendor.
