RE: Gratitude

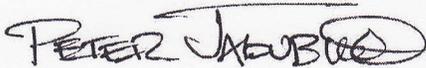

Dear Brian:

I wanted to take a moment to thank you for the quality of service that Atlantic Doors & Hardware has provided to me over the last 12 years. I truly appreciate your responsiveness and the way you and your staff conduct business, it's a pleasure to work with individuals who know the meaning of quality and efficiency.

I've been most impressed with your level of detail and participation during the bidding phase, as well as the prompt service during the submittal and delivery stages. By being so attentive, you've helped elevate our Company above our competitors, and you have also helped us impress many of our clients.

I look forward to working with Atlantic Doors & Hardware for many years to come.

Sincerely,

Peter Jakubiec
Sr. Project Manager
